

Cancellation & Loyalty Discount Policy

At [Sterling Karate](#), we want our enrollment process to be simple and flexible for families.

You may cancel your Karate subscription at any time. However, to avoid being charged for the following month, cancellation requests must be submitted before the **25th of the current month**. Any cancellation received on or after the 25th may result in one final monthly payment being processed.

Loyalty Discount Terms

Students enrolled in the Loyalty Discount Program receive reduced monthly tuition in exchange for maintaining continuous enrollment throughout the year.

If enrollment is canceled:

- The Loyalty Discount rate will end immediately.
- Re-enrolling in the future will be at the current standard tuition rate.
- The discounted rate is reserved for active continuous memberships only and is not guaranteed after cancellation.

Summer Bonus Benefit

Families who maintain continuous enrollment may attend eligible summer classes at no additional charge as part of the Loyalty Discount program.

How to Cancel

Cancellation requests must be submitted by email Peter@Sterlingkarate.com before the 25th of the month.

We appreciate your commitment to the Sterling Karate family and strive to keep our programs affordable for long-term students.
